cornachione.5@gmail.com

I am a web-driven IT professional with a vast background spanning web development, IT, media, marketing, writing, education, and management. With over 13 years of experience in communications/web development/information systems and over five as Web Producer of Cleveland CBS 19 News and Webmaster of WUAB TV, I have learned many facets of creating and leading media-based projects within a fast-paced environment. I have 2.5 years teaching IT courses specializing in hardware, server configuration, web development, OOP, CompTIA A+, Network+, Security+, Cloud+ and Project+ certification. I completed my Masters of Science in Information Systems degree from Northwestern University with a specialization in Project Management and Database and Internet Technologies. My Bachelor's degree was completed at The Ohio State University with a major in Communications in Technology and Visual Communication Design. My background consists of the following:
